Have you ever thought about purchasing the $99 Starter Kit and joining Stampin' Up! and my InkCredible Crew? Here are my top **5** reasons why I think joining on or before May 31st is the

BEST TIME TO JOIN!

*Free Bonus Products - ends 5/31

$56 in FREE PRODUCT! Choose up to $155 in YOUR CHOICE of Stampin' Up! products for $99, that's $56 in free products! (Ends May 31, 2021!)

*DURING JOIN+ PROMO - get an additional $30 IN FREE PRODUCT!
Through May 31, 2021, you get $155 in YOUR CHOICE of Stampin' Up! product (normally $125) for just $99.

#2 Free Shipping

The starter kit ships FREE! Another 10% Savings! Shipping charges
($6.95 or 10%, whichever is greater) will apply to future orders.

#3 20%-25% Discount

DISCOUNT ON FUTURE ORDERS! Get a 20-25% discount on future orders of
all your favorite Stampin' Up! products while you remain active!

#4 Be First

GET NEW PRODUCTS FIRST! Those who purchase the starter kit and join have the opportunity to see and pre-order (with their discount) NEW products a month before they are available to customers. (July 1, 2021 – NEW MINI CATALOG PRODUCTS). Ordering before the customer launch date means you get to play with new products first with less chance of a favorite product running out!

#5 No Obligation - No Commitment

NO OBLIGATIONS! Enjoy all the benefits and discounts through at least October 31, 2021, with no penalty to drop! THE BEST! This ensures you can pre-order products from the upcoming August – December Mini Catalog! Preorder starts July 1, 2021.

A Few More Reasons...

I always welcome HOBBY STAMPERS & HAPPY SHOPPERS!

My team is called the InkCredible Crew and most have joined for the discount and purchase primarily for themselves. You'll fit right in!
In the event, you may be now (or in the future) interested in earning extra income and products, Stampin' Up! offers fun and creative ways to share your passion for stamping!
The choice is yours!
